Dear Yancey:

I do hope this reaches you OK. I got this address from Pompez, all you had on your letter to me was Gamboa Canal Zone. Your letter was late reaching me.

I am sending you under separate cover two contracts, calling for \$135.00 a month salary. I am unable to put the names in, because you did not give them to me, but they are for the two outfielders you spoke of in your letter. I know, you would not let me go to the trouble and expense of sending for them if they were not all you said.

I understand my next move is to arrange with The American Airlines for their transportation. Before I do that I think I should wait to hear from you, where do they leave from, when will they be ready to leave. We leave Newark for a western trip June 1st. We will be in Baltimore the 2nd 3rd and 4th. We then go west for two weeks.

We need outfielders more than anything. Please let me hear from you one way or the other, as I will be trying to do something else if these men cant come. Please send me their names when you write, and some news about them.

The pitcher you sent Pompez looks very good. Thanks for thinking of me, I will be looking to hear from you. I do hope you are well and enjoying life. When do you think you will be back in the states again?

Very Truly Yours
